## PPC Holster Qualification Course Info

Participants should download and read the GRC PPC Holster Qualification Course Info, the PPC Course Notes, and the NRA PPC Rules well in advance of the instruction.

The day will consist of a theory course on PPC with exam, followed by a dry fire and then a live fire holster qualification course, and a 1200 match. The course is limited to five participants.

### Requirements

- A centre-fire revolver or pistol with a caliber greater than .38, and a minimum barrel length of four inches.
- A holster that fits your firearm, attached to a belt.
- A minimum of three speed-loaders for revolvers, and four magazines for pistols.
- A minimum of three speed-loader holders, or four magazine holders, attached to your belt.
- Hearing and eye protection.
- A ground carpet for use while prone, sitting, and kneeling.
- A pen, paper, and calculator.
- A bucket for collecting spent brass, speed loaders, and magazines
- Up to 400 rounds of ammunition. No magnum.
